SECTION V – Additional Requirements

This binder is subject to additional information. We reserve the right to change the terms, conditions and premium based on our review of the additional underwriting information. If the additional information received means we would not have agreed to provide cover on any terms, then the policy may be avoided and any premiums paid returned.

Please forward the following information within 14 days of the inception date of the policy, which is the date from which binding cover is deemed to commence:

1. AIG EnviroPro Renewal form resigned and dated by the Insured.
2. Confirmation of the increase in turnover.

In the event that this information is not provided within the timescale indicated above, the policy may be avoided and any premiums paid returned.

SECTION VII – Claims Service and Expertise

AIG has dedicated **Environmental Major Loss Adjusters** to make sure your claims are in specialist hands and are dealt with efficiently.

SECTION VIII – Value Added Services

At AIG we enhance every EnviroPro policy with complimentary access to **PIER Europe** (Pollution Incident and Environmental Response) to support policyholders resume normal operations whilst minimising the costs associated with remediation and potential liabilities. The **PIER Europe** service provides access 365 days a year in 32 countries to pre-screened professional responders who can help coordinate a comprehensive incident response – from major and catastrophic to minor pollution and environmental incidents.
